↑ BEAUTY SLEEP

New Orleans furniture maker Door-man has a new collection of French Provincial-inspired iron daybeds. The four curved-canopy pieces are welded by hand within a quarter of a degree, making the bed's silhouette perfectly symmetrical from every angle. **\$3,150; doormandesigns.com**

↑ WELLNESS 101

Confused by terms like BCAA and ashwagandha, Roxanne Wise launched Rookie Wellness to make the world of supplements feel more approachable. I swear by their drink mixes, crafted for immunity, energy, and sleep. They taste great and help me feel my best! **\$22; rookiewellness.com**

↑ LUXE LAYERS

These 100%-organic cotton quilts are hand-stitched with kantha thread for a casual, high-contrast look. I love to drape one at the end of the bed for an added layer on chilly winter nights. **\$298; coyuchi.com**

↑ BRIGHT BLOOM

This floor lamp is really more of an art piece. "Bloom" by Shakuff, a bespoke lighting company out of Brooklyn, has a marble base, blown-glass and brass pendants, and one smartly-placed reading light. **\$3,400; shakuff.com**

↓ TAKE YOUR TIME

In an effort to rely less on my phone, I'm going back to basics and keeping time with an actual watch. I've got my eye on this piece from Movado—the mother-of-pearl chronograph dial is beautiful. **\$895; novado.com**

↑ RAD COLLAB

Female-founded design studio Block Shop Textiles has just released an exclusive collection for Design Within Reach. The pieces are handmade in India with a zero-waste production process, and the brand invests 5% of profits to provide community health-care. **\$125; dwr.com**

↓ FUNKY FOOTWEAR

I live in my shearling-lined suede Birkenstocks, but this new design takes the look even further. What can I say? I love a bold style moment. **\$180; birkenstock.com**

Editor's Picks

Each month, I'm introduced to hundreds of fabulous finds—from beautiful furniture to new fashion favorites. Consider this the *crème de la crème*!

FROM THE HEART

Manchaha means "expression of my heart," and is the name of Jaipur Living's beautiful collection of one-of-a-kind rugs. Each piece is designed freehand by rural weavers without the use of weaving maps and is sustainably crafted of handspun yarn left over from completed rugs. **jaipurliving.com**

CHECK IT

Designer Max Humphrey's new line of window coverings for Hartmann&Forbes is a nod to his signature Modern Americana style. It features a fresh take on classic prints and patterns—gingham, quilt, and cable knit—and is rendered in handwoven natural textiles. hartmannforbes.com

OPTICAL ILLUSION

Sean Zhang, creative director and founder of Ocrum Studios, loves to bring visual movement to a space. With its flat metal frame that looks like a globe, his new "Sphere Side Table" challenges visual perception through an optical illusion. ocrumstudios.com

MOONGLOW

This lamp by French designer Baptiste Lanne is methodically sculpted and entirely dyed with Chinese calligraphy ink. When illuminated, the oak surface looks a bit like moonlight dancing on the sea. **Price Upon Request;** swadoh.com

TRUE DEW

Feeling parched? Saje's non-comedogenic facial oil locks in moisture, reducing the signs of aging and restoring elasticity. It's ideal for dry winter skin! **\$44;** saje.com

ROLL THE DICE

Proudly designed on the Upper West Side (of Kansas City), Brass Monkey is a very cool brand for home goods, games, and more. I love their dice set, which has everything you need for 30 different games. **\$25;** brassmonkeygoods.com

LIVABLE LUXE

Celebrity designer Brigette Romanek's portfolio boasts work for Beyoncé and Gwyneth Paltrow. Now, you can bring her style into your space. Her collection for Mitchell Gold + Bob Williams is fashionable, yet functional. ngbwhome.com

WASH UP

Made exclusively for Ann Sacks by Robern, the "Alisal Vanity" pulls design cues from the California coastline. The weathered-oak cabinet is topped with a creamy marble top and has a chic horizontal veneer pattern. **Price Upon Request;** annsacks.com

STYLE HYBRID

Sustainable-fashion brand LEZÉ The Label (a play on the word lazy) invented "workleisure." Think high-style, structured pieces that feel like pajamas. lezethelabel.com

OUT OF OFFICE

My favorite season is just a spritz away with "Vacation." The scent is a marriage of classic sunscreen (coconut, banana, pineapple, and orange blossom) and the actual poolside experience... pool water, pool toys, and swimsuit Lycra...seriously! It's nostalgic and sexy. **\$60;** vacation.inc

↑ SMOOTH OPERATOR

These tasty meal replacement smoothies make breakfast a breeze thanks to flavor-packed plant protein, superfoods, probiotics, and enzymes. Just add liquid, ice, and blend! \$35; tusolwellness.com

↓ SUSTAINABLE INNOVATION

Crypton Home's groundbreaking new collection of performance cotton is feather-soft and eco-smart: it's made of 50%–70% recycled cotton (repurposed from the apparel industry) and features their patented spill repelling, stain-and-odor resisting properties. Find it featured on furniture by Universal, Rowe, and Cisco Home at showrooms nationwide. crypton.com

↑ A SPIRITED ENDEAVOR

This gin liqueur from female-founded Pompano & Whimsy is a botanical delight. When mixed with a bit of local honey and lemon, it makes for a fabulous Bee's Knees—one of my favorite cocktails. \$35; pompanoandwhimsy.com

↑ NATURAL WONDER

Australian home brand Utopia Goods is releasing a gorgeous collection with cult-status cashmere brand **SAVED** NY. The luxury pillows and throws honor both the traditions of the textile trade and Australia's natural wonders. usa.utopiagoods.com

↑ STAY AWHILE

Elevate your home with the power of scent! Vitruvi's "Stay Diffuser" infuses your space with natural essential oils for up to 18 hours. \$159; vitruvi.com

↑ THE MIDAS TOUCH

The Trillium sconce by Regina Andrew Detroit is like a piece of exquisite jewelry for your walls. Each "branch" is cast and gilded in a natural brass finish. \$362; reginaandrew.com

↑ SEASIDE STYLE

The beloved Carmel Mission Inn has been recently renovated by Oakland-based design firm, Arcsine. The area's Bohemian art scene served as the inspiration, with an eclectic mix of materials and a coastal color palette. Photo by Bethany Nauert; carmelmissioninn.com

HAUTE COUTURE FURNITURE

ATELIERxKM's "Dion Coffee Table" is inspired by Australian fashion designer Dion Lee. The creator, Los Angeles-based interior designer Kelly Martin, utilized construction cutouts to play with light and shadows. Price upon request; atelierxkm.com
